

## VIDEO STRATEGY SERVICES DESCRIPTIONS

### Brand Story

**Description:**

Your brand has a unique story—let's tell it in a way that connects with your audience. A Brand Story video captures your mission, values, and impact, creating an emotional connection with customers.

**Deliverables:**

- Concept development & scripting
- On-location filming (interviews, b-roll, company culture)
- Professional editing with motion graphics & branding elements
- Licensed music & voiceover (if needed)
- Final HD video optimized for multiple platforms

**Benefits:**

- Builds brand credibility & emotional engagement
  - Strengthens customer loyalty & trust
  - Enhances your website & social media presence
- 

### Testimonials

**Description:**

Let satisfied customers do the talking. Testimonial videos provide authentic,

persuasive proof of your brand's value by showcasing real customer experiences and success stories.

**Deliverables:**

- Pre-interview coaching & question development
- High-quality video & audio recording
- Multiple angles & professional lighting
- Edited testimonial video with branding & captions
- Short-form versions for social media

**Benefits:**

- Increases trust and conversions with real-life credibility
  - Provides compelling content for sales & marketing efforts
  - Strengthens word-of-mouth marketing
- 

## **Event Recap**

**Description:**

Keep the momentum going after your event with a dynamic recap video. Capture the energy, key moments, and impact of your event to extend its reach and value.

**Deliverables:**

- On-site event coverage
- Engaging highlight reel with music & branding
- Interviews with key attendees or speakers
- Short-form clips for social media
- Final HD video optimized for web & social

**Benefits:**

- Keeps your audience engaged after the event
